

Internationales Landeslager  
2024 der Niederösterreichischen  
Pfadfinder und Pfadfinderinnen  
05. - 15. August 2024  
Waldreichs / Waldviertel

Dear International Commissioner,

from **August 5th to 15th 2024** the Lower Austrian Boy Scouts and Girl Guides will host **the international Lower Austrian Jamboree “WoidLa24” in Waldreichs** close to Zwettl in the “Waldviertel” (north-eastern part of Lower Austria). We are expecting up to 4.000 Guides, Boy Scouts, Caravelles, Explorers, Rangers and Rovers, along with their leaders from many different countries.

We chose the name “WoidLa24” with a good reason: The **camp will take place in pure nature, with a lot of wood (WOID in Austrian dialect) around**. “LA” is the abbreviation of “Lager” which means “camp”. Join us, meet young people from many countries and live ten days in a multifaceted city of tents.

**Participation and sustainability** ... the International Lower Austrian Jamboree will be an adventure, which takes care of our resources and benefits from your ideas, which help creating a great atmosphere! Taking advantage of the surroundings in the “Waldviertel” (a very beautiful part of the province of Lower Austria), there will be a multitude of excursions, adventures and other exciting activities.

We would be more than happy to welcome children and adolescents from your country to our Lower Austrian Jamboree. This is **why you will find the WoidLa24 posters attached to this letter**.

We kindly ask you to **publish information on “WoidLa24”** in as many of your national, regional and local scout papers as possible, to reach a maximum number of groups within your organization. All information on “WoidLa24” and a detailed description of the registration procedure can be found at [www.woidla24.at](http://www.woidla24.at) (see English page).

We are looking forward to host groups from your country on “WoidLa24” and wish you a kind “Gut Pfad!”

Yours in Scouting und Guiding,

WoidLa24 Team
